We get lots of letters here at *Club*. Most of them are nice, many are to the girls, and some are weird. However, this month JJ and I would like to thank the reader who pointed out the failings of our mag compared to how the US version of *Club* looks. We don't know whether to be insulted or chuffed, seeing as JJ and your yours truly worked on US *Club* for 6 years, and helped create how it looks, which hasn't changed a jot since we left. Like we said, weird. ♣

CLAUDIE: AN ARGUMENT FOR CLOSE EUROPEAN TIES!

LETTERS TO THE LOUNGE

Send your letters to: The Editor, Club International, The Lounge Suite, 3rd Floor, 207 Old Street, London EC1V9NR or email clubint@paulraymond.com. Best letter published every month gets £50

Dear Club,
I got home the other night after a long day at work feeling dog-tired. “Hi, love,” I called to my girlfriend, Dawn, as I dropped my jacket and keys in the hallway.

“I’m in here,” Dawn called from the study. I walked over and leaned in the doorway. Dawn was sitting facing the computer screen, which showed a close-up of a thick, veined cock stretching a woman’s arsehole as it pounded in and out. You could see his balls slapping against her cunt lips with every thrust and her finger was frantically frigging her clit. The volume was low, but the sticky sounds of sex and the woman’s moaning were unmistakeable. As I watched, he pulled his tool out of her arse and wanked a shower of cum over her arsecheeks.

Dawn paused the movie and spun around in the swivel chair. She was wearing a sexy smile and nothing else. Completely naked. Her legs were slightly apart and she was squeezing a nipple with one hand and stroking her pussy with the other.

“Hi, handsome,” she breathed. “Guess what I want you to do to me tonight?” Suddenly, I didn’t feel tired anymore. Dawn leaned forward and placed her hand on my crotch, squeezing my rapidly expanding prick and fondling my balls. She stared at the outline of my meat and licked her lips. “I’ve been waiting all night for you to get home so we can party,” she whispered, her words slightly muffled on account of her mouth was pressed to the thick bulge in my jeans. “And tonight, I want you balls-deep in my bum!”

She undid my button-fly and pulled out my cock. I felt her hot breath on the head as she bent to lick up the drop of pre-cum that bubbled from the end. She stood and led me to the bedroom by my twitching tool and, as I unbuttoned my shirt, she went to work on my dick. She swirled my balls with her mobile tongue, then slurped on my throbbing glans with her soft lips, and gently stroked the length of my shaft with her talented hands. Pretty soon I was naked, rock-hard and ready for anything!

Dawn jumped up on the bed on her hands and knees. She wiggled her arse at me and spread her arsecheeks so she could run a finger gently over her tight hole. Looking over her shoulder as she tickled it she said, “I want you to wet your fat dick in my cunt, then stick it right in here!” I didn’t need telling twice. I knelt behind her and placed the head of my cock to her puffy cunt lips, and she slid backwards, sucking my knob into the hot wetness of her dripping snatch.

A shiver ran through her, and she moaned as I pushed forward deeper into her sopping twat, sliding my dick further in until my balls slapped against her skin, and the head of my cock prodded the end of her velvet cunt. I pulled back and then gave it to her again and again with increasing speed. “Ohhh yes!” she cried as her cunt walls hugged my knob. “Fuck me with your thick cock!” Her juices were pouring out of her fuckhole and dripping off my balls as I slammed in and out of her greedy slit, and after she came in a massive gush she gasped, “Stick it in my arse! I need to feel it in my arse!”

I pulled out of her pussy and angled my prick up to her A-hole. Dawn reached around and spread her buttocks

GOING UP!

Dear Club,
What a month. First, my team, the Canaries, get promoted to the Premier League, and then *Club* arrives on my doormat with Sasha dressed up as a nurse on it. Win-win! I’ve bought *Club* for about 10 years on-and-off, but Sasha is my favourite *Club* girl of all time, mostly because I’m a brunette man. Her as a nurse – game over! Loved Danika too – wouldn’t mind seeing more oriental girls in *Club* from time to time, if you don’t mind!
Carlos, Norwich

Well done on the promotion, Carlos, so why not celebrate with a big Tommy tank over Sasha once more? Our postbags went mental over that Sasha shoot (give or take the anonymous crank/disgruntled ex-employee we get who writes every month or so) – we knew getting her to dress as a nurse was a guaranteed winner, we just thought we’d tease you lot for a while first. Want to see in her something else? Get writing to her.

NIGHT OF THE HUNTER!

Dear Club,
I'm not daft, and I know why there aren't as many Brit girls as there used to be in top shelf mags – they've gone off to the internet or to lap-dance, but I do appreciate the ones you've featured recently. Sasha is gorgeous month in, month out, I'm a fan of Danielle Maye (would love to see her lez off with my favourite old-school model, Jo May) and now we've got Kate Hunter too. Blonde, big boobs, shaven tight-looking pussy. Any chance of her coming back?
Anon, Email

It took us a while to persuade Kate to share that shaven snizz with the world, but we're already begging her to do it again. As for Brit girls – yes, it is hard. Of course, we're Club 'International' for a reason, and we're here to share girls from all across the globe, but if we can put a foxy Brit in the mix, we always will!

apart. "Stick it in me!" she begged. I pushed forward, and my fat knob pressed against her ring, which gradually opened to accept my fully engorged eight inches of dick.

Her cunt juice had made my cock so slippery, I had no problem sliding my rigid hard-on back and forth in her tight passage, fucking her up the arse and making her cry out in ecstasy. She reached underneath and played with my balls, then began to massage her clit. Her hole was so tight, it was driving me crazy!

After a few minutes, Dawn sensed that I was about to cum. She pulled away from me and spun around on the bed. She grabbed my bursting cock and jerked it. Within seconds I was squirting thick ropes of cum all over her willing body, and with every splash on her skin, she quivered with lust. Any other readers had a better welcome home?
Ashley, Reading

WHAM BAM! ♣

Thank you Sam...

A cosy looking bed, a zebra striped bedspread, a roaring fire, a naked girl. Samantha, you're making us all... sleepy.

"Hey, wake up!" yells the Californian cutie. "You're supposed to be feeling sexy with this set-up, not settling down for a doze."

Sorry, Sam. We work very, very hard. Can't you just sing us a lullaby?

"Hard? Looking at girls all day is hard? You don't know what hard is!"

We do. Our penises are hard for most of the day. Anyway, you're a model, don't lecture us about hard work. All you have to do is strip off in front of a nice roaring fire on a cosy bed. Wow, take a break.

"Yes, but I had to be up early and into make-up, and we're shooting a video after we've wrapped the photoshoot."

What kind of video? All of a sudden we're not feeling so sleepy after all. ♣

The French Open
Tennis

It's been hailed as the most difficult Grand Slam to win and the most entertaining to watch, but, most importantly, what does our resident court correspondent Matt Loxham make of the French Open? And when's Sharapova playing, anyway?

History

Held over two weeks between late-May and early-June at the Stade Roland Garros in Paris, the French Open is the second of the four so-called yearly Grand Slam events, and the only one that takes place on clay courts.

Considered the most gruelling of the Grand Slams because of the way the surface slows the ball down and makes it bounce higher, something which results in longer rallies than you'd get on the quicker grass and hard courts, the French Open is unique in that it favours players with stamina who are adept at covering the court playing variety of strokes rather than those with a strong serve and volley game who prefer points to be over in one or two shots.

For this reason, it's a tournament that can throw up some unusual winners. Indeed, brilliant serve and volley exponents such as Pete Sampras, Boris Becker, John McEnroe, Venus Williams and Martina Hingis haven't managed a single French Open between them, a statistic that serves to reinforce the fact that however talented the player might be, this is a very difficult championship to win if you don't have the game to suit the conditions.

The French Open, or French Championships as they were then known, began to take shape in 1928 with the opening of the aforementioned Stade Roland Garros, a purpose built tennis stadium named after the famous French aviator and World War One fighter pilot – shot down and killed in 1918 but by all accounts a keen player before then, and a former member of the Stade Francais tennis club who had donated the land for the new development.

The men's tournament was won that year by Henri Cochet, one of the so-called 'Four Musketeers' (along with Jean Borotra, Jacques Brugnon and Rene Lacoste) who dominated tennis throughout the 20s and early-30s, and who even earned the honour of having competition's trophy, the Coupe des Mousquetaires, named after them.

Such was the gallic domination, it took until 1933 before the Open had its first non-French winner, when Australia's Jack Crawford lifted the trophy. A couple of years later and Fred Perry defeated Germany's Gottfried von Cramm to become Britain's first name on 'Le Coupe'.

In the early years of the women's competition, America's Helen Wills won the first three titles at the Stade Roland Garros, before Britain's Margaret Scriven bagged two on the bounce in 1933 and 1934.

The French Championships became the Open in 1968, with amateurs being allowed to participate in the event for the first time, and this sparked something of a golden period for the tournament. Court legends Billie-Jean King and Rod Laver put their names on the roll of honour in the late 60s and early 70s, before Chris Evert and Bjorn Borg began their dominations of the French Open in 1974, with the pair going on to enjoy famous battles on the clay with the likes of Martina Navratilova and Guillermo Vilas respectively.

These days, Spain's Rafael Nadal and Justine Henin are the modern success stories of the tournament, but will anyone ever match the achievements of Borg and Evert, two players who loved the courts of the French Open.

Legends

Bjorn Borg

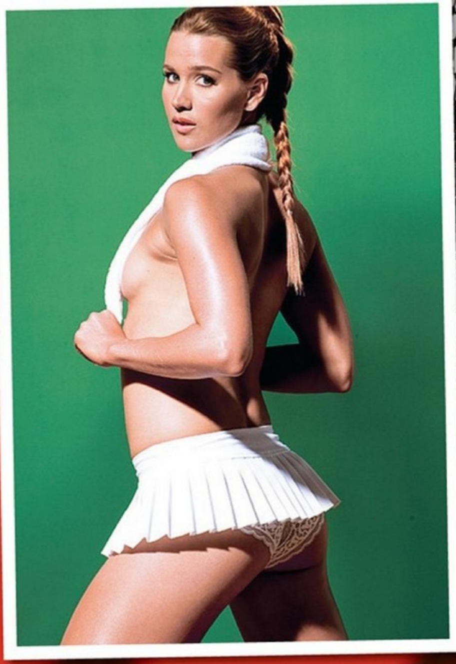
The greatest tennis player ever in the history of the game? Many people think so, and when you consider that the 'Ice Man' won a record six French Opens alongside his five Wimbledon titles then it has to be said – those people might just have a point.

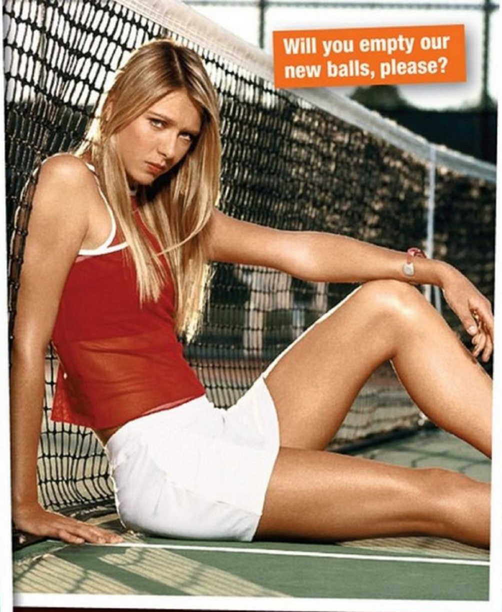
Winning Grand Slams on both clay and grass is said to be the most difficult combination for any player to achieve during their career – to do it so many times is a phenomenal accomplishment.

Chris Evert

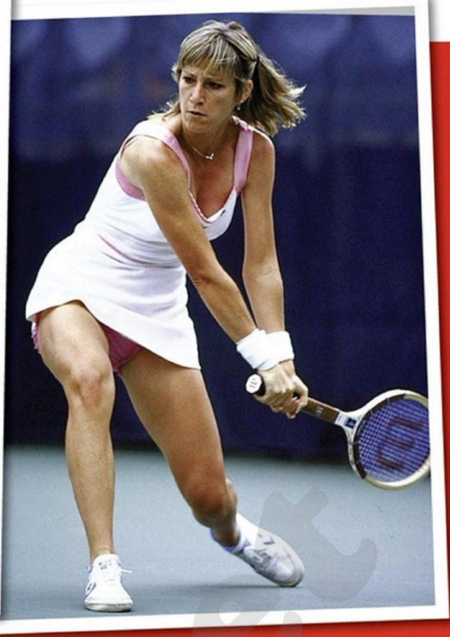
With a still record-breaking seven French Open titles to her name, Chris Evert was practically unstoppable at the tournament during the mid-70s and all the way through to the mid-80s – and who knows how many more Opens she might have won had she not skipped three in a row when she was at her peak?

Although Evert enjoyed success on all surfaces during an illustrious career, she was simply devastating on clay with her wide range of ground strokes, eclipsing even her great nemesis Martina Navratilova on the courts of Stade Roland Garros.





Will you empty our new balls, please?

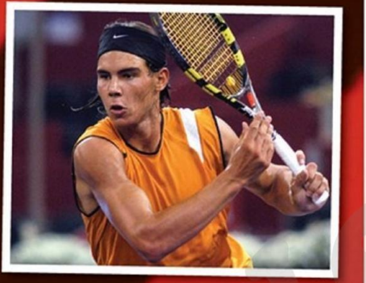


The Current Crop...

Men

Rafael Nadal

The pin-up boy of World Tennis goes into this year's French Open as reigning champion. Nadal is also the hot favourite, not surprising really considering the popular Spaniard has won the tournament five times in the last six years, and is currently ranked number one in the world. Nicknamed 'The King of Clay' thanks to his success at Stade Roland Garros, it will take a superhuman performance from one of his rivals to dethrone Nadal and stop him storming to his sixth title.



Roger Federer

Out of the Swiss Maestro's sixteen career Grand Slam tournament victories, only one has come at the French Open, highlighting the fact that clay is the surface on which the Fed-Express is most easily derailed. Now number three in the world, Federer once topped the rankings for a record 237 weeks consecutively and is desperate to get back to where he believes he belongs, starting at this year's French Open. Write him off at your peril.

Novak Djokovic

A man in form after recently winning the Australian Open earlier this season, Serbia's Novak Djokovic has improved to the extent that he can now be considered the main challenger to Rafael Nadal at the Grand Slam tournaments.

Indeed, Djokovic is currently playing the best tennis of his career, and although Stade Roland Garros is arguably the place he has had the least success at so far, if Djokovic continues to improve on clay and maintains his recent level of great form then he should pose a huge threat to Nadal.

Women

Caroline Wozniacki

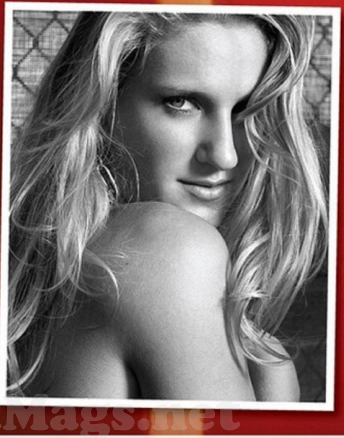
She's the current World Number One, is getting better by the tournament and she looks pretty hot in a short skirt, meaning Denmark's Caroline Wozniacki will be the one to watch for a whole load of reasons at the 2011 French Open. Although she's still yet to win a Grand Slam, she did reach the semi-finals at this year's Australian Open, an encouraging performance that bodes well for Roland Garros, particularly as Wozniacki actually enjoys playing on clay.

Victoria Azarenka

With a style of playing that involves aggressive baseline strokes and a strong backhand, Azarenka's game is suited perfectly to the rigours of the French Open and those energy-sapping clay courts.

> **"But let's face it, even if she plays crap, Sharapova is always well worth watching"**

Interestingly, although she's ranked four places below her rival, the talented Belarusian also appears to have the beating of Wozniacki of late, and will prove a huge threat at what is a wide-open women's tournament at Roland Garros this year.



Maria Sharapova

After a dodgy run of form which resulted in a change of coach at the turn of the year, the hottest girl in tennis, Maria Sharapova, is back in the top 10 and well on her way back to her best. Although her game is considered to be unsuited to clay courts and she admits she finds playing on them a challenge, the Russian racquet star has been working hard with the French Open specifically in mind of late, and could well go all the way. But let's face it, even if she plays crap, Sharapova is always well worth watching.

Join Marie's daytime TV session...

Marie is a lady of leisure at the moment. She's not saying any more than that, but we're guessing she's 'between jobs'.

"I'm loving it," she reveals. "I get up nice and early and watch loads of rubbish TV punctuated with long, slow wanks. I'm up to about 8 wanks a day!"

What is it about the daytime cack that sets you off?

"Just boredom, probably. Watching a load of soap has-beens witter on makes my mind wander and before long I've got two fingers in my fanny and I'm pinching my nipples with the other hand."

Sounds good. Anyone for a bit of *Gash in the Attic*? ♣

PORN STAR RETIREMENT HOME

Where we look back at the cock-slurpers who hung up their chaps...

No. 10 – CARMEN LUVANA

A surprising retiree, seeing as she'd only been working in the biz a little over six years when she hung up her stripper-heels in 2008. Especially as her inflated chesticles were presumably designed principally for pornstardom. Carmen announced that she didn't want her fans to get bored of seeing her in action (as if!) and currently lives in her home state of Florida and presumably swans about in her pants eating ice cream and watching daytime TV.

Luvana, born in 1981, entered the industry in 2001, after being spotted dancing in the strip clubs of Miami. Her first hardcore appearance was in *More Dirty Debutantes #211* (not having seen episodes 1 thru 210 I can't be sure if it's easy to pick up the story at the point she entered) and she went on to work for the major studios, New Sensations and Adam & Eve among them, winning plenty of awards along the way.

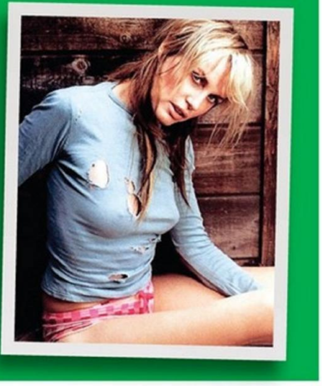
A popular performer, it's doubtful that Carmen will stay away from the hot lights and cold lube of the porn film set for long. I'd put money on the lure being too great. We'll just wait out this hiatus and see her when she's back. Mark my words…

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: **Daryl Hannah**

Daryl Hannah was the queen of Hollywood throughout a lot of the 1980s, catching the attentions of men who like pretty ladies with her memorable turn as Pris in *Blade Runner* (1982) before mainstream success with the Tom Hanks movie *Splash* in 1984. Many gents of a certain age will remember how they felt as a schoolboy upon seeing her lovely bronzed boobs only just covered by her blonde hair in the racy PG-certificated hit (and wondering at what point the fish tail began at too – was there a fanny down there?) and she was also charming in Steve Martin's *Roxanne*. Still busy acting and making short films, Daryl has got a bit of a hippie vibe going on these days, and still looks good at 50. Not great, but good. I'd do her, but I wouldn't do her with yours, if you get my drift. And if you want to see her baps, check out 2001's *Dancing at the Blue Iguana*. But for me, she'll always be Pris, the replicant who can crack a man's skull with her stocking-clad thighs. Bliss!



NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

Too Hot For TV

A customer ran burning from a San Francisco sex shop last month, and remains in hospital with life-threatening injuries. Staff aren't sure how the gentlemen caught aflame, but he was watching videos in a private booth one minute, then screaming in pain as the flames licked around his cock and balls the next. Which begs the question: in this internet/DVD age, what kind of person goes to a sex shop to wank over mucky films? The kind of guy who sets on fire doing so, I guess. Anyway, have fun explaining those burns away to your missus.

The Bryce Isn't Right

Sad news, 30-year-old big-boobed MILF Hunter Bryce was found dead in her California home on April 11th of this year. The cause of death hasn't been released at the time of writing, but co-performers mentioned on Twitter that she hadn't "been doing well personally" in the weeks and months before her untimely death.

A university graduate, Bryce majored in literature, and devoured books by the hundreds, even taking on her performing name in honour of Hunter S Thompson (who offed himself with a shotgun a few years back). An animal-lover (which pornstar isn't?), she was much-loved by her family and will be missed by fans of hot brunettes with big boobs. Get your ass over to *xvideos.com* or somewhere similar and have a tweak of respect right now.

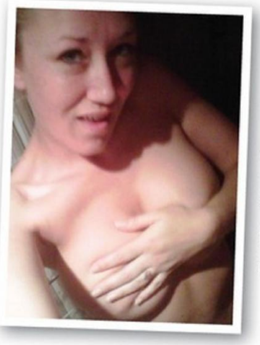
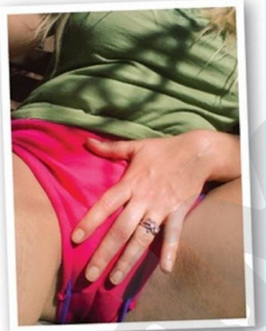
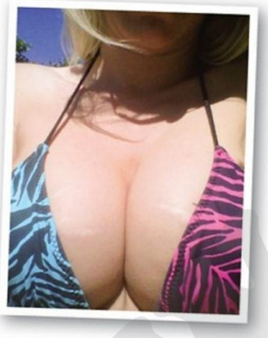
THE BIT ABOUT BABES WHO LOVE TO BLOG…

Alana Evans has been in the porn biz for well over a decade, has seen her boobs grow from tiny little chestbumps to silicone-enhanced gazongas, worked with all the big names (and pricks), and managed to be a doting mother at the same time (though whether or not her kiddies have seen videos of her being made airtight we don't know). Quite where Alana finds the time to tweet as much as she does is something of a mystery – she has one thumb on her Blackberry 24/7 by the looks of things (the other one, presumably, being put to better use with sex holes, hopefully). Her tweets are a combo of geekery (she also writes a blog about video games), updates about what she's up to on set, pot-smoking, and calling everyone "ninjas" all the time. Yeah, she's a character alright, and once in a while she'll post a chaste pic of her cracking melons for her followers to ogle. What's not to like? Here are some samples of her recent tweetage:



> "Birds are cool man- this bluebird family is living in my yard- watching the Dad is a trip as he watches me back- damn,this is some good herb"





> "I sure could use some company in this big comfy bed- my down blanket is soooo soft :) so are my titties- awwww heaven"

> "In case u didn't know- I'm not only @superpinkninja but I'm a super bitch :) a bleach blonde bitch with an IQ of 118 thank you very much :)"

Go ahead and follow her at *www.twitter.com/alaneaevansxxx* and you'll have your Twitter stream filled with random outbursts. And she's very chatty too, so don't be shy – tell her you like her boobs and her fanny. Be a gent.

Top Five…

Sporty Babes

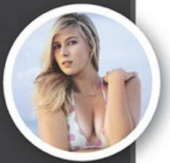
They're the fittest fillies on the planet, even when they're not good at it…

5: Ana Kournikova
Yeah, yeah, she's not been within sniffing distance of winning a major tennis title (hell, does she even play any more?) but come on, guys, it's fucking Kournikova! Okay? Sheesh! We've had more ham shanks over her than she's served aces. Actually, that might not be many.

4: Amanda Beard
She's an Olympic swimmer, but has put her lithe bod to good use in mags like *Playboy* and *Sports Illustrated* too. Wouldn't mind paddling in her shallow end! Also, despite her name, she doesn't actually have a beard. Result!

3: Anna Rawson
A leggy blonde golfer, Anna also models when she's not whacking balls around the fairway. She sure gives me wood (and I'd like to see her stroke). We'd do a 'hole in one' joke as well, but we're a bit tired.

2: Gabrielle Reece
This woman has played a LOT of volleyball, and hence has the kind of statuesque figure that, if you were to be presented with it in your bedroom, you would keel over and die before even getting your hands on. Annoying.



1: Maria Sharapova
Unlike Kournikova, who's arguably a little bit hotter, Sharapova can actually play tennis to a world class standard, and therefore wins, even if she's a communist or something. We don't know, look it up on Wikipedia. 'It'd be nice if she'd marry me,' is what we're all thinking.

SEXY SEX FACTS ABOUT SEX

30% of women over the age of 80 still have sexual intercourse (which doesn't really bear thinking about)

The word "avocado" comes from the Spanish "aguacate," which is derived from the Aztec word "ahuacati," which means "testicle" (so just remember that next time you're slicing one to add to your bacon salad)

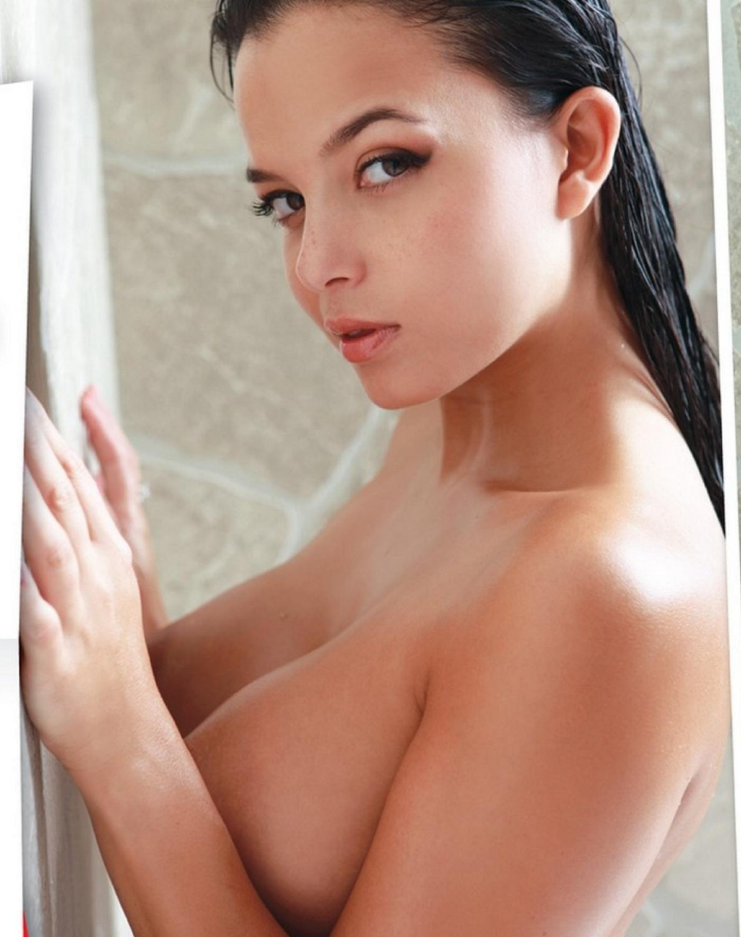
In ancient Greece, women would expose their vaginas to ward off storms at sea (it is not recorded as to whether or not this actually worked)

The initial spurt of ejaculate travels at 28 mph (so be a bit understanding next time she flinches as you fire it in her eye)

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha



Okay, so this might be the most minimalist outfit I've worn so far! Blame reader Walter from Birmingham if you're not happy, but he just wanted to see me dripping wet from the shower – and he'd be holding the towel ready to dry me off!

I've had some of my best sex in the walk-in shower at my place. There's room for two – or three at a squeeze – and once you've thrown a lot of bubbles into the mix, anything can slip into pretty much any hole. And if things get too dirty, well, you're in a shower! Best of all in a shower is standing up doggie style. Just sticking my arse out and getting it from behind while the water soaks us both. Although I don't want that nice spunk washing away – save it for my mouth! ♣

Dear Sasha

While awaiting the wonderful pictures of Sasha in the nurses uniform I spotted a cheap copy of a mainstream film, *My Bollywood Bride*. The gorgeous Indian babe is wearing white on the front cover and a traditional outfit on the back. My mind drifted away in the shop and the onto feeling of lifting a white dress from the rear on an Indian babe. Maybe Club can pull it off!
J, Notts

Lovely to hear from you again, J. The Editor has asked me to say sorry for cutting your letter down so much, but I've got the original tucked under my pillow for long wanks! I'm not sure it's a Bollywood production – despite my heritage I'm a British girl after all! – but you can check out my 'white wedding' outfit in Club very soon!

Dear Sasha

I just watched the Royal Wedding on telly and must admit I got a bit miffed with everyone banging on about how beautiful Kate Middleton is supposed to be. I suppose she is by Royal standards, but I see fitter girls every time I walk to my local newsagent. And she's not a patch on you either, Sasha, although you're far too good for the stuffy royals!
Joe, Holbeck.

Thanks Joe! Some people say it's every girls' dream to be swept off their feet by a prince, but it's not mine. I prefer down-to-earth men who might pamper me one day, then surprise me by taking me hard in the woods the next. As for Kate Middleton – well, I've fucked hotter girls in films before, but I'd definitely have a go! ♣

The line between different kinds of phone user grows ever clearer. There are those who are apped up to the max, constantly Tweeting and showing us that they've paid 99p for a phone that imitates a pint being drunk. Well done. And there are those with no time for such frippery, who want a business phone with a good keyboard for mobile emailing. The Dell Venue Pro is clearly aimed at the latter. Of course, there's a bit of crossover, but anyone wanting to app up will only be frustrated at the limitations of Marketplace. On the plus side, the QWERTY keyboard is a tactile pleasure to use, and Windows Phone 7 is a massive step up from previous clunky Windows mobile efforts.

Pros: Touchscreen, keyboard and OS all do their job very well.

Cons: Not a phone for app fans (i.e it's not for big kids).

Libratone Beat
£560
www.libratone.com

Marketed as a 'modern piece of Scandinavian furniture', this is perhaps the apotheosis of expensive technology as lifestyle choice. An efficient and attractive wireless speaker system, the Libratone Beat picks up signals via a transmitter from your iPod/Phone/Mac/Pad or even from your humble PC. They offer 'FullRoom' sound that bounces of your walls to fill the, er, room, and if you're rich, you can have them in different rooms as you move between them your transmitter will start working with them in turn, so you can walk around your palace and have your music follow you. But you'd have to be some kind of massive rich cunt to do that, surely?

Pros: Very nice sound, looks nice as well.

Cons: Pricey, and doesn't always have enough oomph to it.

Olympus Tough 8010
£300
www.olympus.co.uk

Everything is 'lifestyle' these days and long gone are the times when an interest in cameras was the preserve of a certain kind of gentleman. No, these days the kids are all over Flickr with their dim photos of nothing, as if anything is rendered interesting just by pointing a camera at it. Anyhoo, the Olympus Tough is exactly that – capable of absorbing a few bumps, works underwater – with 720p HD video and plenty of storage. It goes without saying it's somewhat better than a disposable, but the latter is more appropriate for a wedding.

Pros: It's tough.

Cons: If you don't need toughness, there're better cameras at this price. ♣

SKYLA PLUS!♣

She's about to press her red button...

A chintzy hotel room, a stunning girl clad in stockings and suspenders. Yes, it's *Club International* going back to the basics. Sometimes it's the simple things done well that matter, and Skyla here proved to be the perfect subject for a timeless shoot. Mostly because of her awesome bits and because the idea of her lying in wait on a bed in a hotel room is the stuff of erotic dreams, especially in that lingerie.

"Don't you normally interview the girls?" asks Shyla.

Yes we do, Shyla. But we've just run out of space. Soz. ♣

Model looks. Model style. Dirty mind...

We think you'll agree that Tiffany here has model looks – and she's had offers – so why isn't she wearing couture on a catwalk somewhere?

"It's too bitchy, and it's too limited. They say if you do porn you'll never work in mainstream modelling, but I'd rather have fun when I work, so I'm sticking with porn!"

Attagirl. And indeed if you search certain parts of the internet, you'll find Tiffany engaged in sexual congress.

"Fuck yeah! I'm having a ball," she says. "Getting money to suck a lovely cock or have my pussy eaten by an expert pussy eater? Those skinny fashion girls can keep their world, I'm sticking with this one."

Good choice, Tiff. ♣

NAME: Vikki **AGE:** 20
FAVE SEX: Lezzing off.
WHAT'S SHE LIKE? A stylish lesbian who we're trying to turn!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
I've been buying it for a couple of years ever since I discovered my sexuality. You have the best girls for me to wank over!

AH, SO YOU'RE A LESBIAN?
I am, 100%. Well, I say 100%, but a girlfriend and I did recently share a cock, and it was nice. But I've mostly had girlfriends for the last year or two.

WHAT'S THE APPEAL?
Well, you tell me! You're men, you like pussies, don't you? I just love a nice shaven pussy, and I like to lower my shaven pussy onto a girl's face as well.

YES, YOU ARE VERY SHAVEN!
Yup, I go over it every single day. It's almost permanently tingling, which is nice. I can feel so much more when it's like this. But don't get me wrong, I'm not a hair fascist – I'll stick my tongue into a hairy pussy as well!

GOOD TO HEAR IT. SO, ANY INTEREST IN BALLS AT ALL?
I do like men, but only if they're happy to share me with another girl – although I don't think that'd be a big ask for you lot! ♣

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

WAX ON, WHACKS OFF!

My husband, John, is an avid reader of your magazine and spends hours poring over the pictures of the girls in it. He's been nagging me for months now to have my pussy waxed smooth like most of your models do these days, which he says is a huge turn-on for him, so last week I decided to give him a treat and get it done . Little did I know that I'd end up fulfilling one of my own favourite fantasies at the same time!

I booked in with a local beautician who works from home and advertises that she does 'Hollywood Waxing'. On the morning of my appointment I was feeling a bit nervous as I drove to her house, but determined to go through with it for John. When I knocked on the door it was answered by Ali, the beautician, who invited me in. She was about my age, with a good figure shown off by a pair of skinny leggings and a tight white vest top, through which I could see that she had quite small but nicely formed boobs in a lace-cup bra. As you'd expect from a beautician, she was perfectly made-up, and very pretty.

She led me to her treatment room upstairs, chatting to me on the way to put me at my ease, and giving me a nice view of her peachy bum through the leggings as I followed her up. When we got into the room, she asked if I still wanted the Hollywood, like I'd said on the phone. I said that I did, but was very nervous about it. "There's nothing to worry about," she said, "I have mine done every month." She got me to slip out of my skirt and panties and get up on to the couch.

She started by getting me to pull the skin over my pussy mound taut, whilst she used small strips of wax to take the hair off a bit at a time. She was chatting to me the whole time, and with the warmth of the room and the scent of her perfume, I began to relax, and before I knew it was happening, the top of my pussy was completely bare. "There." Ali said, standing back and admiring her handiwork, "What do you think?" I told her I thought that it looked great, which it did.

Next, she got me to bend one knee up, whilst she stood on the opposite side of me. She told me to pull my pussy lips tight upwards to stretch the skin, then she leant over me to apply the wax strip.

Not surprisingly, for this part of the operation she could hardly avoid touching me, and I felt a little thrill as I felt the back of her hand brush lightly against my clit as she reached over. She finished my first pussy lip with two or three strips, each time just ever so gently touching my little button with her free hand as she did so, and to my extreme embarrassment I realised that my pussy was starting to get more than a little wet with all this attention.

She moved round to the other side of me to repeat the operation, but this time when she asked me to pull my pussy lips tight, there could be no denying the faint noise made by

my inner lips moving against the wetness of my cunt. I went bright red, and started to mumble an apology, but Ali just smiled sweetly and said, "Don't worry, that happens all the time. I think that I must have that effect on girls."

She finished my other pussy lip off like the first, but I couldn't help but feel that she spent a little longer on it, and seemed to be brushing against my clit more often and more firmly than before. What's more, I couldn't deny that I liked the way that it felt, having another girl so close to my intimate parts, and actually touching me where normally only John does. I'd often fantasised when masturbating about going with another woman, and enjoyed looking at the girls in your magazine when John wasn't around, but I'd never thought that it could go any further than that.

With my second pussy lip now bare as well, Ali stood back to take a look, and I noticed that she was looking a little flushed herself. I could see that her nipples were now standing out hard against the material of her vest. "Mmm, very sexy." She said, admiring my now completely smooth cunt. "I bet your husband is going to enjoy being the first to feel that."

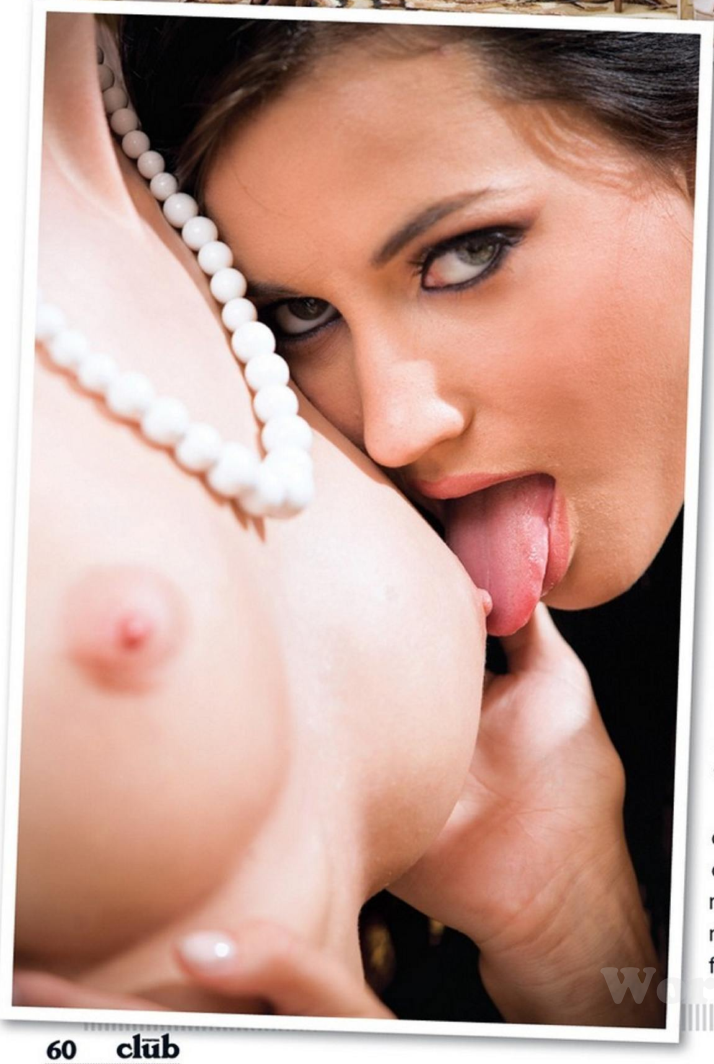
> **"I was so wet her middle finger slipped almost immediately into my cunt"**

I could hardly believe what I said next, but I found myself replying, "He doesn't have to be the first, you know."

"Well," said Ali, smiling at me, "I suppose I ought to do some quality assurance."

And with that, she walked back over, leant forward and kissed me full on the lips, her tongue snaking into my mouth as she did so and her hand reaching down between my legs to caress my now totally bald twat. I was so wet, her middle finger slipped almost immediately into my cunt, while she brought her thumb to my clit and started to rub it gently but firmly in a circular motion, all the time her tongue probing my mouth as she continued to snog me.

I was unbelievably turned on at the feel of another girl kissing and touching me. This



was something that I'd fantasised about for years, but never thought could actually happen. I returned Ali's kisses, pushing back against her tongue with my own, feeling the wetness of her mouth as we snogged passionately. Ali continued to fondle my pussy with a touch so skilled I couldn't believe that I was the first girl that she had done this with. She put a second finger up inside my now soaking wet cunt, while her thumb continued to massage my clit, which had swollen with all the attention and was now pushing out firmly from its little hood.

I felt Ali's ring finger reach down between my arse cheeks and start to probe at my little bumhole. By now, my juices were flowing so freely that they had made Ali's whole hand wet and she used the lubrication to gently slip her finger into my arse, while continuing to rub at my clit with her thumb. My anus has always been incredibly sensitive and this just pushed me over the edge into a shuddering climax. I felt my pussy squirt juices all over Ali's hand as my arse clenched around her finger and I came in one of the most powerful orgasms of my life.

As I lay back on the couch, I watched Ali put her fingers to her mouth and lick my juices from them. "Lovely." She said, "Now it's your turn." She peeled off her vest, revealing small but pert boobs beneath in a lacy bra, which she unclasped and slipped off. Her nipples were poking out firm and hard, and she pinched them between her thumb and finger as she caressed her tits in front of me, before leaning forward and letting me take one into my mouth and suck on it for all I was worth.

She stepped back and pushed down her tight leggings, turning around to pull them off and revealing a tiny pair of thong panties underneath, and a little seahorse tattoo at the top of one cheek. Her arse looked even better than it had done when I'd followed her up the stairs and despite the shuddering climax that

> “She was groaning loudly as my tongue worked its way around her pussy”

I’d already had, I started to feel very horny again.

Ali slipped out of her panties and walked back over to the couch, one hand between her legs as she did so caressing her pussy, the other hand on her breast, massaging it firmly. She climbed on to the couch and knelt astride me, her cunt level with my mouth. She was still caressing it as she did so and I could smell that she was obviously getting herself very wet in the process.

She took her finger away from between her legs and ran it around my lips, before letting me take it into my mouth to taste her juices for the first time. I’d never tasted another woman before, only myself when sucking John’s cock after he’d fucked me, and I couldn’t believe how good it felt.

“More…” I moaned, so Ali took her finger from my mouth and lowered her pussy down onto my face. I ran my tongue all around her lips, exploring their fleshiness and teasing yet more juices from her. She was true to her word – her pussy was completely bald, just like she’d said, and wonderfully smooth against my mouth. I sucked on her clit gently, feeling it swell as I did so, and heard Ali sigh deeply as another surge of wetness flowed from her.

I could feel her reach behind her and start to caress her own arse, and as I used my hand to open her pussy lips and push my tongue inside her, I felt her slip her finger – still wet from both our juices – into her bum. I probed her cunt as deeply as I could, and got a mouthful of sweet-tasting pussy juice as my reward. By now Ali was fingering her anus furiously, and groaning loudly as my tongue worked its way around her pussy, circling her clit then diving back inside her. Her breathing quickened as I pushed my tongue in as far as it could go, and then I heard her yell out loud as her orgasm hit, lifting her crotch off my face as she did so, and allowing a gush of her wetness to spray over my face.

We were both silent for a few minutes after that, recovering from what had just happened. Then Ali climbed down from the couch and kissed me gently on the lips, tasting her own juice as she did so.

“Will once a month be OK for your waxing, then?” She asked.

“How about once a fortnight?” I replied, smiling up at her. Needless to say, my pussy is now permanently smooth and almost permanently wet, too!

It's 2019 and, after World War 3, Tokyo is being rebuilt as Neo-Tokyo, and Tetsuo and friend Kaneda discover a secret government project to create telekinetic humans as a weapon. When he discovers his 'peer', Akira, he delves deeper into the project. Rated by *Empire Magazine* as one of the 500 greatest movies of all time, *Akira* is certainly an anime landmark. And with Blu-rays a few years old, it's high time Manga Entertainment got around to plugging the yawning gap of *Akira* in hi-def. Restored and remastered both visually and audibly, seeing *Akira* like this is like seeing it with new eyes. And if you haven't seen it before, this is now the only way to watch it.

LOVE LIFE
15

Yes, we're normally all about old horror, war films and weird animation here at Hedonist, so *Love Life* should come as a real change of pace. A mature, witty, sexy and raw look at a relationship, it charts the love between Stijn (Barry Astma) and Carmen (the well fit Carice van Houten) and how it copes with flirtation, infidelity and breast cancer. It's an uncompromising slice of life with an excellent cast and an unflinching eye for human frailty.

The Bird With The Crystal Plumage

(Arrow Video, Blu-ray £19.99)

The Bird with the Crystal Plumage

What the hell will we review when Arrow Video reach the end of their superb Dario Argento reissues? Don't worry, we'll find something. This is his directorial debut and concerns Sam, an American writer in Rome (sound familiar? This American abroad stuff is pure Argento) who finds himself stalked by a killer after he reports an attempted murder he witnesses to the police. There's lots to enjoy – Brit actress Suzy Kendall, a score by Ennio Morricone and some early sightings of Argento's soon-to-be-familiar stylistic tics. Great stuff from the 'Italian Hitchcock'.

★★★★

TENEBRAE

(Arrow Video, DVD £15.99, Blu-ray £21.99)

Arrow Video's Dario Argento series proceeds in great style with a movie which many regard as his finest. After American writer Peter Neal arrives in Rome on a book tour, a woman is brutally killed by a man who crams pages from Neal's latest opus into her mouth. More murders follow and the police turn to Neal for help – but then he starts to receive death threats. Tense and unsettling, *Tenebrae* shreds the nerves. It might not quite have palette of his other classics, but with a Goblin score and great set pieces, it's another must have for the horror or Giallo connoisseur. Extras are exhaustive as per usual with this essential series. ★★★★★

OBSESSION

(Arrow Video, Blu-ray £19.99)

OBSESSION
IMAGINE THE MOST TERRIFYING DREAM YOU EVER HAD...

Heavily influenced by Alfred Hitchcock's masterpiece *Vertigo*, this is early Di Palma (1976), scripted by *Taxi Driver* scribe Paul Schrader, with a score by Bernard Herrmann and starring John Lithgow and Geneviéve Bujold. Yes, pedigree. Michael Courtland's (Cliff Robertson) wife and daughter are kidnapped, then die in a bungled rescue. Haunted by their deaths, for which he blames himself, Courtland meets the spitting image of his late wife fifteen years later, and sets about moulding her into a replica. But there's a twist – several in fact – to the tale. Overwrought it may be, but it stands up as a superior homage to the master. ★★★★

Savage Streets

(Arrow Video, DVD £11.99)

What they did to her little sister was worse than crime...
Now witness the ultimate execution
Savage Streets

Death Wish with boobs, 1984's *Savage Streets* is very much a classic, early VHS throwback. There are genre thrills aplenty – and *The Exorcist*'s Linda Blair flashing the flesh in one of her few watchable all-growed-up roles – as Brenda (Blair) takes out vigilante revenge on a clichéd 80's gang, The Scars, for raping her dead sister and killing her friend. Armed with a switchblade, a crossbow and bear traps, she metes out some eye-for-an-eye justice in a film that got her nominate for worst actress at the 1986 Razzie Awards. It ain't that bad at all.

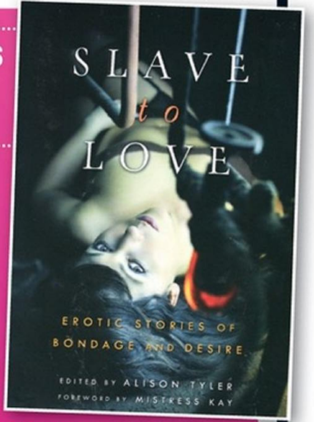
More dyke than Updike...

Slave to Love – Erotic Stories of Bondage & Desire

Edited by Alison Tyler (Cleis Press £10.99)

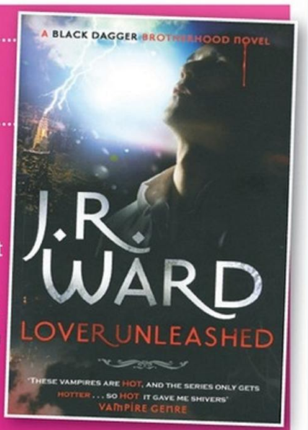


SLAVE to LOVE
EROTIC STORIES OF BONDAGE AND DESIRE
EDITED BY ALISON TYLER
FOREWORD BY MISTRESS KAY

Alison Tyler had edited a couple of dozen books of erotica, much of it fetish related. The conclusion? Someone is buying the stuff. Half the fun with self-important adult writers are the pretentious pen names they adopt – here we have Xavier Acton, C.D. Formetta and Erica Dumas – of course, if these are their real names, we can only apologise for our unwonted mockery. As for R. Gay? We're keeping our mouths well and truly shut on that one. So, bondage is the theme, which manifests in control, restraint, role-play, whips, cuffs and writing that hits the spot while simultaneously trying just too hard.

Lover Unleashed

J.R. Ward (Piatkus £12.99)



A BLACK DAGGER BROTHERHOOD NOVEL
J.R. WARD
LOVER UNLEASHED
'THESE VAMPIRES ARE HOT, AND THE SERIES ONLY GETS HOTTER... SO HOT IT GAVE ME SHIVERS'
VAMPIRE GENRE

The *Black Dagger Brotherhood* series – this is the 9th book in it – is a success, but the quote used on the cover of *Lover Unleashed* tells you a lot about the market for these books. 'These vampires are hot, and the series only gets hotter… So hot it gave me shivers' quoth *Vampire Genre*. In other words, these books are for women who wish they were getting fucked by/having affairs with/presumably donating regular amounts of blood to vampires. It's a pretentious *Twilight* for women with blankets and 'interesting' dragon-related metal trinkets on their shelves.

ALBUM REVIEWS

ARCTIC MONKEYS

Suck It And See (Domino)

Oasis only ever had one great album; their first, and the Arctic Monkeys seem to be following a similar trend. It's not the worst Britpop in the world, but unlike Rocco Siffredi's latest anal extravaganza, it is hardly an essential download for most folks.

BATTLES
GLOSS DROP

BATTLES

Gloss Drop (Warp)

This is the sort of music that appeals mainly to musicians – so if you are the sort of bloke whose only musical talent is farting in the bath, then you're unlikely to be impressed. If, however, you are trying to bed a clarinet player who likes to fuck herself with a flute, then enjoy this mad adventure of an album.

DANGER MOUSE & DANIELE LUPPI

Rome (EMI)

The bloke from Gnarls Barkley and some Italian cinema chap recruit a load of old Italian musicians and make some arty farty music – ottimo! Grab Mario's sister, a Domino's 18 inch, 12 bottles of Peroni and a peperami – and she'll think you're a right stallion.

mini MANSIONS

MINI MANSIONS

Mini Mansions (Domino)

These sound like The Beatles playing Ben Folds Five songs and one of them's the bassist from Queens of the Stone Age. Indie chicks will be aroused by this little gem – by the time you get to track 4, a blowjob should well be on the cards.

STEVE LAWLER

Lights Out Decade (Viva Music)

If you've ever popped pills on the Space terrace in Ibiza then there's a good chance that Steve Lawler was on deck duty at the time. In the current climate of naff pills and 10% purity cocaine, we all need some decent tunes to snort our mephedrone to, and *Lights Out Decade* is just that.

LAMB TO THE SLAUGHTER!

Club chats to Lamb producer and all round legend, Andy Barlow…

Do you like fishing?

Yeah, fishing rocks. I used to go fishing when I was a kid. I used to go so that I could read porn mags and smoke cigars! I also used to have obstacle courses for maggots and I used to have races with them.

Which colour of maggots was the fastest?

The brighter coloured ones. Did you hear that Bjork did an art installation? It was a huge six metre round dish and lots of little colours all moving and it was in the face of this beautiful woman. When you looked at it close up you could see that all the bright colours were actually maggots in little stainless steel cups and that's why the face was moving – I thought it was a really nice touch.

Maggots in art – sounds good. Where's the best place that you have travelled to?

Vietnam was really nice – it was beautiful.

Were you in the war there?

I was in Nam, yes. Cheltenham!

Have you got a girlfriend at the moment?

I'm kind of single at the moment. [At this point there is a huge roar of laughter in the background, and one of the roadies says, "He's always kind of single for interviews in case there are any lovely ladies out there reading!"]

What kind of features do you go for when you're looking for a lady?

There's no real standard – I like them all across the board. But they have to have nice eyes, nice arse, and they have to be friendly.

Do you like them shaven or bushy?

Hairy pie? I have no preference really – just as long as they've got one, I'm there.

Have you ever been in trouble with our friends at the local constabulary?

Touch wood, I've never been nicked.

Have you ever robbed anything?

I once 'borrowed' these racing car tyres when I was about nine. This guy lived opposite us and he had this garden with these racing car tyres and I really wanted them to play in, so I took them and he found out. He threatened to call the police if no one returned them, and so I turned up in my scouts uniform and handed them back, claiming it was someone else.

Did you ever write a letter to Jimmy Saville?

I did, yes. Actually, this fits in quite well with the racing car tyres because on my letter I said, "Dear Jim'll, please can you fix it for me to have a racing car. I don't want to just borrow a racing car – I want to actually own a racing car – but it's alright because I already have the tyres!"

Quality! What bad habits does Lou (the other half of Lamb) have?

Andy: She's really mean to journalists! Some of them piss her off.

Lou: I'm only mean if they are sexist types!

Is she good to get on with?

She's tops – she's my sister.

Do you fancy her?

I used to very much fancy her – she's pretty cute.

Have you got any nicknames?

Onstage, I turn into a bit of a monster. By day, I'm Andy Barlow, but onstage I'm Bandy Arlow.

And how would you like to be remembered, Bandy Arlow?

As someone who brought something good to the world.

Cheers Andy, keep on shaggin'.

The new album *5* is out now.

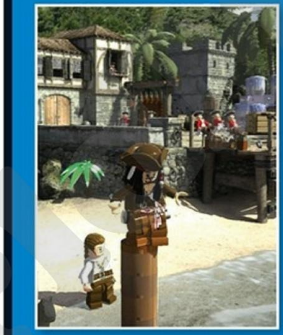
ON THE GAME



LEGO Pirates of the Caribbean

(Disney Interactive Studios)

PS3, Xbox 360, Wii, DS, 3DS, PSP, PC

★★★

You can take pretty much any license – and not just the *Star Wars*, *Batman*, *Indiana Jones* and *Harry Potter* ones that are among the ones we've seen so far – and see how it will translate with the LEGO video game treatment. Take your favourite film, extract the key moments, add diddy LEGO fellas and there you have it. That doesn't mean that all these licenses will work as games, however, and we found *Lego Indiana Jones* clunky once the initial visual pleasures had started to pall. This is better, and as well as Jack Sparrow there are over 70 characters you can play as. It's a frenetic experience – and who really wants to relive the scenarios from the dreadful 3rd film? – but one that kids everywhere will love.

Thor: God of Thunder

(Sega)

PS3, Xbox 360, Wii, DS, 3DS

★★★

Long overdue a movie adaptation – although we're a little nervous about what Kenneth Branagh will actually deliver – Marvel's *Thor* comes to consoles hot on the film's heels. Of course, it's a movie license video game, so it's best to approach with lowered expectations. If you do, chances are you'll find something to enjoy in wielding Mjolnir, Thor's famous hammer. This works best on the Wii's controllers, which also comes with a comic-book graphic approach, while the giant enemies are clearly inspired by the far superior *Shadow of the Colossus*.

L.A. Noire

(Rockstar Games)

PS3, Xbox 360

★★★★★

Okay, so we're basing this review on an early look but, sorry, we can't contain our excitement. Its not just Rockstar's pedigree, or the fact that they've used matey out of *Mad Men* as a character reference, but it's the whole damn thing. Being a detective in 1947 Los Angeles? We're wetting ourselves. From what we've seen, it keeps the sandbox approach we know and love from *GTA*, the characters are brilliantly drawn and the gameplay is deep and massive. Expect articles in the gaming press about the blurring of the line between games and cinema. ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

SPANISH SECRETS!

"Hmmmm…. I wouldn't mind tightening his nuts." That was my slutty friend, Patricia – known as Pixie – as she drooled over the bottom half of the Spanish mechanic sticking out from underneath our still-steaming rental car.

"For fuck's sake, Pixie!" That was my other friend, Kate. Although she wasn't slutty, she and I shared a dirty secret that we'd sworn to never tell another living being: When I had my tongue pierced, Kate had asked me to lick her cunt out. Just to see what it felt like. The combination of soft tongue and metal bead had driven her wild and she'd begged me to do it again. And again. Then she'd said that it was only fair that she lick me out in return and that was how we became covert girlfriends, secret lesbian lovers.

So that just leaves me; Rebecca, Bex to my friends. Apart from having a secret girlfriend and a tongue piercing, I wouldn't say there was anything remarkable about me. A string of crap boyfriends and a miserable winter had left me in search of some fun in the sun. So here we were, stranded in the middle of nowhere with a piece-of-shit-car from which all sorts of fluids were dripping.

The sunshine was magic and I was hardly surprised to see Pixie soaking it up, sitting on her towel on the roadside, having slipped her top off to get her tits tanned. The girl was shameless and didn't even make an attempt to cover-up when our roadside rescue re-appeared from under the car.

"It's all OK," Andres told us with a beaming smile. It didn't look OK. He was making to leave but I think our combined frown demanded a further explanation. "Cool down – maybe half hour. All OK." Again with that winning smile. We edged between him and his vehicle and he took the hint that he was to stay until we were on our way.

> "I rolled my eyes at my lesbian lover before sucking that big hard cock"

As we all sat and waited together, it was obvious that Andres was taking sneaky peaks at Pixie's exposed tits. This wasn't Benidorm and he obviously wasn't quite sure on etiquette in the presence of a semi-naked woman.

"You like?" Pixie asked as she unnecessarily applied another layer of sun cream to her torso, before squeezing her tits and pulling on her nipples. Hmm… Maybe I should make that my very slutty friend.

"Jesus, Pixie. Give it a rest." I groaned. "Poor lad didn't sign-up for this." But Andres seemed keen. "Is OK. I like."

Pixie beamed. "You show us yours, we'll show you ours?" There was an eager nod but I doubt Andres understood what she was saying. Pixie turned to us, "Show him your tits girls."

Kate and I looked at each other and then reluctantly pulled up our

tops until our boobs were on display to this total stranger. Pixie then reached over and even as Andres had his eyes fixed firmly on the newly exposed breasts, she unzipped his fly and reached inside. She rummaged around, fighting with his underwear for a moment before his erect cock sprang free. I watched her hand reach for it, squeezing it gently but firmly, enough to make it swell, before using her thumb to drag down the foreskin. His whole body jerked uncontrollably and as a short gasp elicited from him, I wondered whether this might be the first time anyone had ever touched him intimately. I hoped not for his sake. Still holding his shaft, Pixie beckoned us over. She began to pump it and lowered her mouth until it was almost touching.

"Maybe I should stop," she said breathily. A tell-tale lipstick mark told that a hip thrust had brought Andres' cock into contact with Pixie's lips.

"No… please." he begged. I knew that Pixie liked to be begged. The quiet desperation in those two words must have given her tremendous satisfaction. Her head bobbed down and his sharp inhalation told of the effect as her teasing ended and intense oral stimulation began. I imagined her mouth filling with cock and felt my body spark, warm sexual pulses of pleasure radiating out from my pussy. Within seconds, my clitoris was throbbing and it was hard to resist the temptation to touch it. The only problem was that I'd never done it in front of Pixie and it still felt too taboo.

Pixie surfaced and I noted the wicked gleam in her eyes immediately. "Come give him a go, Bex," she smiled, "I'm sure he'll love your piercing."

Kate and I exchanged a look. I rolled my eyes apologetically at my secret lesbian lover before getting on my knees and sucking down on that big hard cock. I saw the shock on her face even as I sank down on it, impaling myself deeper than I'd intended as his hips thrust up to meet me. After it bumped the back of my throat I had to release it and found that it had swollen further with my efforts. I could see tears in Kate's eyes, the pain in her face and I had to look away, back down Andres' heaving chest, back to his twitching cock. As Pixie egged me on, I flicked my way across his cock, using my lips, tongue and piercing on his sensitive glans, rather than taking him deeply again.

Then a shadow loomed over me and I pulled back to find Kate lowering herself towards me. Her familiar bare pussy pushed into my face. I couldn't believe it, her body so close I could feel the heat radiating off it. I didn't dare touch her in front of Pixie. I didn't know what to do. But she was plunging down and I realised with a sharp shock that she was focused, not on me, but on him. On the hard

male body below.

Her hips were rotating as she dropped and I still had my hand wrapped around the eager manhood, clearly aching to bury itself in her warm depths. Maybe to satisfy her in a way that I could not. Although that thought hurt, I realised that I wanted to see it. See this throbbing cock in my girlfriend's pussy and I angled it up and guided it towards her sex as the two sets of genitals met. Kate gasped faintly as it slipped inside and I couldn't believe it as strong hands gripped her hips and pulled her down, impaling her sweet pussy completely.

I stared blankly with no rational thought as he penetrated her, again and again. Fucked her. Kate's eyes were closed, her face screwed up in ecstasy as he filled her with his manhood. How quickly it had happened. What had possessed her to do such a thing? Was it to punish me for sucking his cock? I had all sorts of emotions and sensations pounding through my body. I felt dizzy and sick with shock and there was a building knot of pain in my belly. But I was also excited, fascinated at what she was doing and I was strangely compelled to keep watching.

I stood-up and gaped at the scene below me. At that moment, Pixie slipped her arm around my waist and I felt her push something hard and cold up between my legs. Numbly, my legs came apart in acceptance of whatever she was doing to me. However, as it caught in the cleft of my arse, I felt an involuntary tightening in reaction to the cold object. I knew she was seeking out my slippery pussy and I knew that it was what my body wanted. But I didn't care. I didn't help her find the right hole: I slipped my hand down over hers as a guide and I pushed. I knew it would hurt, but I wanted it to. I wanted the physical pain to match my emotional pain. Somehow it felt right to do it as my girlfriend impaled herself on cock. I didn't understand why, it just did. I tried to relax the tight muscles and prepare myself. Then I helped her push it into my virgin arse.

With minimal lubrication, it was a hot, almost painful shock as the thick tube pushed up through my tender opening. It felt so good, matching exactly my need to be dirtier than I'd ever been. Unaware of where she was sticking it, Pixie forced it further up until it was deeply buried in my back passage. Confused signals from dormant nerve endings reported the unaccustomed penetration. It was delicious. I hardly dared to breathe as I ached with pleasure and throbbed with pain at the numbing cold penetrating my flesh.

Pixie's fingers slipped down to my pussy and for a confused moment searched for the missing tube. "Fuckin' hell, Bex! That's in your fucking arse! You are one dirty fucking bitch!" she said approvingly.

I didn't care what she thought of me. Or what Kate was doing. I just wanted Pixie to

give me the stimulation that I needed to climax. “Lick me,” I asked quietly. In a flash she was kneeling between my spreading thighs as I burnt my throbbing bum perching it on the fiery paintwork of the car. She pulled my labia apart and that mere touch of my most intimate parts was like some of my better orgasms. Her eyes studied my sex as her fingers pulled me open. I saw her mouth approaching and her gaze suddenly locked on mine intensely as contact was made. God she was good. I realised at that instant why she was so popular with the guys. Each and every one she’d blown over the years were lucky bastards.

The pleasure of her soft, sensitive exploration forced the breath from my body in huge gasping sobs. My arse was still aching with pleasurable discomfort as it lifted involuntarily to drive my pussy into her mouth. As our openings ground into each other in a rhythmic dance, the sexual charge building in my pussy was terrifying. I thought I might explode as Pixie’s tongue probed in long sweeping motions and found the nub of my clitoris. It was so sensitive that I could barely stand for it to be touched. She sucked on my tender flesh and as my clit was dragged into her mouth, the roughness of her tongue took me over the precipice to the orgasm I craved. It was exquisitely intense, every physical and emotional sensation, the pain and the pleasure released simultaneously, sending tremors through every part of my being, igniting every last nerve. I was in a pulsing paradise for endless moments as my hips bucked, never once shaking off Pixie’s hungry mouth.

Pixie came up smiling and we snogged. Not kissed; a deep passionate entanglement of tongues and lips, then bodies. I could taste my juices in her mouth as she ground her crotch on my thigh, which drove us both wild. I’m ashamed to say that Kate was forgotten, although she must have been watching us. I reached between Pixie’s legs and found her clit which was prominent in her slippery gash and rather expertly brought her to orgasm. She flushed with colour and gulped for air before sagging in my arms. Only then did I turn to find my girlfriend picking at the ropes of spunk covering her belly.

There was no awkwardness but it was now over. The car was cooler than we were and we picked-up our clothes and piled in, leaving a grinning Andres to get his gear back in order. It has been desperately ignored since. Not a single word spoken about it. But once the dust settles, I’m hoping that secretly Kate and Pixie are also hoping that it’ll happen again and are just waiting for someone to set something in motion.

Rebecca, Hampshire ♣

EUROTHRILLIONS! ♣

We enjoy a European union with Claudie...

If the Euro-sceptics in our ridiculous government had their way, we'd never get to lay eyes on primo Euro-pussy like Claudie. They'd ban it. Yup. All that stuff about straight bananas and different kinds of sausage – pure tabloid bullshit. Europe has been nothing but good for us, mostly because we now have unfettered access to the fleshpots of the Riviera, the Dalmatian coast and the vowel-less towns of Eastern Europe. Claudie can simply pack up her little suitcase on a whim, come over here and open her legs wide and show us her incredible Euro-snatch and Euro-bumhole. And then she'd probably do us a decent plumbing job without having 200 tea breaks every single fucking hour. ♣

What our well-placed moles are telling us this month...

Down The Wire

Lacking Focus

While people on both sides of the Atlantic are increasingly being prosecuted for phone texting while driving, young Bristol woman Rachel Curtis was recently sentenced to 12 months in prison by the city's Crown Court for leading police on a high-speed chase while injecting heroin in her arm.

Meanwhile, in our former colonies, not to be outdone, police in Buffalo, New York, have arrested long-haul trucker Thomas Wallace and charged him with manslaughter. Authorities allege that Wallace was too busy squinting at dirty pictures on his laptop and wanking to watch the road when his rig ran over a parked car, flattening and killing the occupant.

Fuck Truck is back!

Missing Their Mark

When Mark McCuaig decided to bust out of police custody in Montcalm County, Michigan, he made utter fools of his pursuers by escaping from them time after time after time.

McCuaig, in court on an earlier charge, initially became unruly and fought off two different sets of officers, despite receiving a truly nasty Tasering. When another court officer tried to stop him outside the court house by spraying Mace in his face, McCuaig wrestled himself free and locked himself inside a van. Sheriff's deputies quickly surrounded the vehicle, smashed a window and Tasered McCuaig again, but the fugitive still managed to show them the finger and drive off.

A high speed chase followed, in the course of which Michigan state troopers disabled his tyres with 'stop sticks' but couldn't capture him before he reached his home and barricaded himself inside. A small army of police surrounded the house, and four officers and a police dog forced their way inside, but McCuaig escaped yet again and climbed into another vehicle.

Finally, after another long, bizarre road chase, he was forced off the highway and Tasered a third time, whereupon McCuaig decided that it was a fair cop and allowed himself to be taken back into custody without any further fuss.

Please don't TASER me.

Thug Boyfriend Stumped

Thirty-three-year-old couch potato Jacoby Laquan Smith of St Paul, Minnesota, was recently charged with beating up his quadruple-amputee fiancée because, he claimed, she had blocked his view of the television. The fiancée, aged 28, who lost both hands and part of both legs to an illness in childhood, still managed to fight her corner, poking Smith with a stump and overturning her bedpan on his trousers.

Smith, who looked to the arresting officers for sympathy, admitted to having frequent physical fights with her, and whimpered: "She'll swing, push me down, then choke me with her nubs."

Interestingly, the pair still plan to marry. His girlfriend explained: "We just need some help with anger management."

The Blind Leading The Pack

Blind pop singer Metin Senturk recently set the world speed record for an unassisted sightless driver in Urfa, Turkey, steering a Ferrari F430 at about 175 mph with absolutely no idea what he was doing or where he was going, or even when to slow down and stop. He afterwards delightedly described the frankly lunatic experience as being just "like a dance with death."

And it doesn't end there. Perhaps inspired by Senturk, two entirely sightless teenage fencers from institutions for the blind in Watertown, Massachusetts, both quite unruffled by the distinct possibility that they might poke each others' eyes out, squared off in what is almost certainly the first such ludicrous sporting event on record. Meanwhile, the Edinburgh Festival announced that it was to display an exhibition of images taken by 56-year-old blind photographer Rosita McKenzie. ♣
